

15 BROAD STREET
NEW YORK 5

7-7291

December 16, 1955

Dear Mr. Dulles:

On December 6 I was invited to become a member of the Council on Foreign Relations and have been informed that you were one of the persons who suggested my name to the Board of Directors of the Council. Your thoughtfulness in this connection is very much appreciated by me and I am looking forward to participating in the activities of the Council.

With best regards,

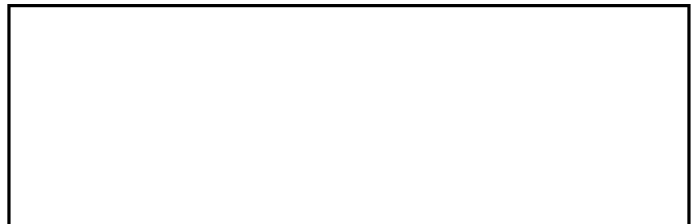

Sincerely,
